- Commonwealth Fund Podcast/Transcript: *Why Are More Black Americans Dying of COVID-19?* Conversation with Dora Hughes (Dora Hughes, MD, MPH, is Associate Research Professor of Health Policy & Management at the Milken Institute School of Public Health at The George Washington University, where her work focuses on the intersection of clinical and community health, social determinants of health, health equity, healthcare quality and workforce. Previously, Dr. Hughes was a Senior Policy Advisor at Sidley Austin, where she advised on regulatory and legislative matters in the life science industry. Prior to that, she served for nearly four years in the Obama Administration as Counselor for Science & Public Health to Secretary Kathleen Sebelius at HHS.)
